

情濃千杯少，情淡助相思。

When one is fulfilled with love, a thousand glasses of wine seem rather obsolete.

Yet again on lonely days, the smallest amount of wine may help to heal one's aching heart.

Reserve Bordeaux

Sourced from impeccable cellars

2004 **Château La Lagune** *Haut Médoc, France* 250

“This surprisingly dense, powerful yet elegant effort should be even better than the 2003. Its deep ruby/purple color is followed by beautiful aromas of spring flowers interwoven with sweet black cherries, currants, new oak, and spice. With a lovely texture, medium to full body, gorgeous fruit purity, and a charming tactile impression, this elegant as well as powerful claret should age gracefully for 15+ years’. **Robert Parker**

2003 **Château Léoville-Barton** *Saint-Julien, France* 300

“This is a stunning inky purple-colored effort revealing a tight but promising bouquet of damp earth, forest floor, powerful ripe cassis and black raspberry notes intermixed with licorice and leather. Formidably-endowed, structured, dense, concentrated, and backward, this brawny 2003 should prove to be one of the vintage’s most enduring successes. It needs to be forgotten for 7-10 years. Anticipated maturity: 2013-2035.’ **Robert Parker**

1996 **Château Lafite-Rothschild 1^{er} Cru** *Pauillac, France* 2280

“The wine exhibits a thick-looking, ruby/purple color, and a knock-out nose of lead pencil, minerals, flowers, and black currant scents. Extremely powerful and full-bodied, with remarkable complexity for such a young wine, this huge Lafite is oozing with extract and richness, yet has managed to preserve its quintessentially elegant personality. This wine is even richer than it was prior to bottling. It should unquestionably last for 40-50 years. Anticipated maturity: 2012-2050. The wine of the vintage?’
Robert Parker

The Henschke Collection

The Henschke family is one of the longest-established wine names in the Barossa. Johann Christian Henschke purchased land for a farm at Keyneton in 1861, after fleeing religious persecution in Kutschlau, Silesia (Germany). He planted a small vineyard and an orchard, and after initially making wine for family consumption produced his first commercial vintage in 1868, believed to be principally Riesling and Shiraz. From then on the family have proved to be amongst the best in Australia.
